Creative Showcase

Career Summary

I have 9 years of hands-on experience in the ad industry building static & dynamic (DCO) HTML5 banners for popular ad servers such as DCS, DCM, Sizmek, Adform, Flashtalking, TTD. I worked for popular AU, UK & US brands. I worked on tag generation, trafficking, campaign management & troubleshooting. I have a solid experience on end to end creative production start from creative development to setting up the creative live on the site. I carry good knowledge on ad platforms such as DoubleClick Studio, Bonzai, Adform, Flashtalking & Celtra. I use tools like GWD, Animate & Photoshop.

Roles & Responsibilities
